In Re: Chapter: 13

Mary Sheree Hall Case No.: 15-32782
SSN: xxx-xx-7540

Debtor

MOTION FOR RELIEF FROM AUTOMATIC STAY
FILED BY LAKEVIEW LOAN SERVICING, LLC AND REQUEST FOR TELEPHONIC
HEARING

Comes now LAKEVIEW LOAN SERVICING, LLC, its principals, investors, successors, and/or assigns, if any, (hereinafter "Creditor"), by and through its undersigned counsel of record, Sirote & Permutt, P.C., and moves this Honorable Court to set this matter for telephonic hearing and lift the automatic stay in the above-referenced Debtor(s)' Chapter 13 bankruptcy and in support thereof, Creditor avers as follows:

1. The Debtor filed their bankruptcy petition with this Court on 10/02/2015.
2. This Honorable Court has jurisdiction to hear these matters and enter final orders pursuant to 28 U.S.C. §§ 157 and 1334; and 11 U.S.C. § 362. The Motion for Relief from Automatic Stay constitutes a core proceeding and is a contested matter pursuant to Fed. R. Bankr. P. 4001(a) and 9014.
3. The Creditor holds a mortgage lien on the property commonly referred to as 2613 Sheffield Court, Montgomery, Alabama 36107, and more fully described in the mortgage and note.
4. The Creditor has not received post-petition regular monthly routine maintenance mortgage payment(s). The mortgage and loan held by the Creditor is in post-petition default under the terms and conditions stated upon the face of the mortgage and loan documents. The Debtor is in post-petition default for the mortgage payments due for the months of August, 2016, through the current date, plus late fees, attorneys fees and costs.

5. The Debtors' failure to make regular monthly routine maintenance mortgage payments unto the Creditor as they become due post-petition results in a unilateral modification of the mortgage and note between the parties in violation of 11 U.S.C. § 1322(b)(2).
6. The Debtor has not made a good faith effort to provide for and make the regular monthly routine maintenance mortgage payments as they become due in a manner to ensure that the Creditor receives the regular monthly routine maintenance mortgage payments consistent with the terms of the mortgage and mortgage loan documents.
7. The Debtor has willfully violated the terms and provisions of his/her/their Chapter 13 plan, and if applicable the order confirming said plan.
8. The Debtors' actions have caused unreasonable delay that is prejudicial to the Creditor. Further, the Creditor is not adequately protected.
9. The Creditor desires to protect its interests and proceed with taking possession of the property.

WAIVER OF FED. R. BANKR. P. 4001(a)(3)

10. This is a Chapter 13 bankruptcy case. The Debtor either knows, should know, or has been informed by Debtors' Counsel of the rules of this Bankruptcy Court and the potential penalties for non-compliance. Therefore, the Creditor requests this court waive the fourteen day "stay" in accordance with Fed. R. Bankr. P. 4001(a)(3).

FUTURE DEFAULT

11. Should this Honorable Court deny the Creditor's Motion for Relief from Automatic Stay, the Creditor would request that this Honorable Court direct that the stay shall be immediately lifted, without further order or notice, as to the Creditor in the event that the Debtor should default on any future payments.

ATTORNEY FEES

12. The Creditor has had to incur additional expense in order to collect this post-petition debt in the form of attorney fees and costs and requests this Court to award the Creditor reasonable attorney fees and court costs associated with this matter.

WHEREFORE, ABOVE PREMISES CONSIDERED, the Creditor herein prays that this Honorable Court will set this matter for telephonic hearing and to lift, modify, or terminate the automatic stay now in force and effect in order that the Creditor may obtain possession of its collateral and may enforce any and all of its state law rights and remedies in and to the subject collateral; the Creditor further requests this Court grant said Creditor reasonable attorney fees and costs associated with the filing of this Motion; the Creditor further requests that this Court waive the effect of Fed. R. Bankr. P. 4001(a)(3); or **IN THE ALTERNATIVE,** order an appropriate cure of the post-petition arrearage and default; grant said Creditor reasonable attorney fees and costs associated with the filing of this Motion; and grant said Creditor future relief, modification, termination, or lifting of the automatic stay now in force and effect, should the Debtor(s) default on any future payments to be made unto said Creditor, in order that the Creditor may obtain possession of its collateral, may foreclose, or liquidate its collateral under state law, or seek to negotiate a loss mitigation forbearance or other agreement with the debtor in an attempt to avoid foreclosure or other action. Creditor further requests relief from applicable provisions of FRBP 3002.1, once relief from the stay is granted by Court Order. Creditor further requests relief from stay in order to enforce any and all Creditor's rights, title, and interest in and to the subject property, under applicable non-bankruptcy law.

Respectfully submitted,
